Claude Workshop: Build your own App, Automation and Agent

Date: November 5, 2026

Time: 8am - 4pm

Place: SLC SBDC (‘The Mill’)

Workshop Account Setup

The purpose of this hands-on workshop is to build your web application and later - automations and agents.

To do so, you will need multiple accounts from various third-party applications.

To get started, you will only need to buy a $20 a month subscription to Claude which you can cancel at any time.

The other accounts are free. To get started, you will register with a free account.

1. AIBusinessAdvisor.org
2. Claude.ai ($20)
3. GitHub.com
4. Netlify.com
5. Supabase.com

The Accounts and What they Do

1. AIBusinessAdvisor.org
   a. The online course

2. Claude.ai ($20)
   a. Your personal assistant
   b. Interacts with other accounts

3. GitHub.com
   a. Your Repository/Backup

4. Netlify.com
   a. Your Publisher

5. Supabase.com
   a. Your Database

Claude Workshop: Build Your Own Website, App, or Automation with AI

A full day at Salt Lake Community College with the Salt Lake SBDC. Learn agentic coding: Claude Code builds and launches your website, then you build an app, an automation or an AI agent. No coding experience needed.

Course Schedule | Take the Course

Morning
Research with Claude, design your look, and launch your website with a form that saves to your own database.

Afternoon
Build an app, an automation or an AI agent from the idea menu, or your own idea.

Uses
Claude, GitHub, Netlify and Supabase: the four courses below

Session 1 · Build your website

Objectives and Schedule 9:00–9:15

Meet Claude and your tech stack 9:15–9:30

1. Research and plan with Claude 9:30–10:00

2. Claude Code builds your page, live 10:00–10:45

3. Your form saves to a database 10:55–11:35

4. Test and launch 11:35–12:00

Check-in · Get set up

8:30–9:00 30 min

Create your accounts

OBJECTIVE

Have your five accounts working before we start at 9:00: AI Business Advisor, Claude Pro, GitHub, Netlify and Supabase.

- [ ] 1. **AI Business Advisor:** create your free account at aibusinessadvisor.org with your business name, then come back to this guide signed in. Your account keeps your details and your progress in this guide. Your website and its data live in your own GitHub, Netlify and Supabase accounts, not here.

  Comment

- [ ] 2. **Claude:** sign in at claude.ai with the Claude Pro (or higher) plan you bought before the workshop. Today you use Claude Code, which needs Pro. Check under **Settings → Billing**. Getting started with Claude →
